Variety of Fun

Whether our kids are searching for buried treasure, enjoying a Hawaiian Luau, or participating in any of this summer's exciting activities, they will be sure to have blast. Our "Tropical Paradise" will definitely have something for everyone to enjoy.

Field Trips

We are planning a full venue of exciting field trips for our children to enjoy this summer. Transportation is provided and all field trips are teacher chaperoned following stringent childcare licensing ratios. Please see reverse side for planned summer 2015 field trips.

Facilities

Of course, when our children are not participating in one of our thrilling theme week activities, or enjoying an exciting field trip, they will have full use of our spectacular facilities. Our facilities include:

- An expansive playground with basketball courts and covered play structures.
- A huge arcade that includes many popular electronic games, skeeball, pool, foosball, and air hockey tables.
- A Science/Nintendo/Computer Lab.
- A large movie theater.
- A 50's style diner.
- A large onsite, life guard monitored, swimming pool, to cool off on those hot Texas summer afternoons.

Swimming Lessons

Swimming lessons will be offered by a certified lifeguard for an additional fee.
